ABOUT *Sonrisa*

At Sonrisa, we blend the artistry of Korean skincare with innovative, luxurious formulas to transform your daily routine into a radiant journey. Inspired by Korea's legacy of flawless skin, our products harness nature's finest ingredients, like rejuvenating botanicals, hydrating hyaluronic acid, and brightening niacinamide to nourish, restore and unveil your natural glow. Every Sonrisa creation is crafted to empower you, delivering visible results and a moment of self-care that sparks confidence. Join us in embracing luminous skin and the joy of K-beauty with Sonrisa.

OUR *Brand*

At Sonrisa, we blend the science of Korean skincare with the luxury of nature's finest ingredients. Inspired by Korea's legacy of radiant skin, our formulas harness botanical extracts, hyaluronic acid, and niacinamide to hydrate, brighten, and rejuvenate. Each product is thoughtfully crafted to deliver visible results while turning everyday care into a moment of indulgence. Discover luminous skin, lasting confidence, and the joy of K-beauty with Sonrisa.

PETAL POUT LIP MASK

A fresh botanical treatment for dry, chapped lips that provides deep nourishment to achieve radiant, soft lips. This lightweight yet intensely nourishing lip mask is designed to melt into your lips like a buttery glaze, creating a cushiony barrier that hydrates and protects without feeling heavy or sticky.

KEY INGREDIENTS & THEIR BENEFITS:

- Peach Blossom Extract – rich in antioxidants, helps fight dryness, restores natural smoothness, and promotes soft, plump lips.
- Moisture-locking emollients – create a protective layer to prevent water loss overnight.
- Hydration boosters – deliver lasting softness and a smooth, plump feel.

RED GINSENG FACEWASH

Effectively clears away dead skin cells and built-up sebum. This convenient powder-type cleanser is ideal for travel and effortlessly removes impurities, excess oil and sweat. Gentle and safe for daily use. It is suitable even for sensitive skin.

KEY INGREDIENTS & THEIR BENEFITS:

- 10% Red Ginseng Powder – boosts circulation, helps oxygenate the skin, combats dullness, and revitalizes tired skin.
- Botanical Extracts – provide gentle exfoliation to remove impurities and dead cells.
- Mild Cleansing Agents – cleanse effectively while maintaining skin's natural moisture balance.

RADIANCE SERUM

Sonrisa Radiance Serum is a calming and powerful antioxidant skincare solution designed for sensitive, redness-prone skin. Powered by Centella Asiatica Extract to soothe, Aloe Vera Leaf Juice to hydrate, and Olive Leaf Extract to protect, this lightweight formula features red microcapsules that gently melt into the skin. Enriched with Peptides, Collagen, and Allantoin, it helps strengthen the skin barrier and restore a healthy, balanced complexion—without stickiness.

KEY INGREDIENTS & THEIR BENEFITS:

- Microcapsule Actives –Microcapsule technology packs active ingredients into tiny capsules that penetrate deeper into the skin and release them gradually, giving effective results with less irritation.
- Calming Botanicals – soothe irritation, reduce redness, and calm inflamed or reactive skin.
- Hydrating Agents – support skin barrier, prevent dryness, and balance oil production.

ALLANTOIN PLANT

ALOE VERA EXTRACT

RADIANCE CREAM

Nourish your skin with the luxurious care of Sonrisa's Radiance Cream. Powered by a peptide complex and infused with mushroom extract, this deeply hydrating formula locks in essential moisture while fortifying the skin's natural barrier. It calms, smooths, and renews the complexion, leaving behind a healthy, luminous glow. Gentle yet effective, it is perfect for daily use to maintain soft, radiant, and resilient skin.

KEY INGREDIENTS & THEIR BENEFITS:

- Peptide Complex – improves skin's firmness and elasticity while repairing barrier damage.
- Tremella Mushroom Extract – hydrates deeply, calms stressed skin, and locks in moisture.

Moisturizing Agents – keep skin smooth, soft, and radiant all day.
